

TAXPATRIA

PERSONAL ADVICE.
GLOBAL PERSPECTIVE.

Whether you are considering a **personal relocation** or a **professional expansion** to Belgium, we can support you on a **variety of tax and legal matters**. Our services range from compliance to advisory, accounting and assisting you in your dealings with the tax authorities.

If you plan to **setup your business in Belgium**, we provide a full range of start-up services and can consult you on how to minimise your overall tax liability. We also provide tax complaint solutions for **individual contractors and international business owners** for short and long-term assignments.

Globalization, ever-changing tax laws and increasing reporting and compliance requirements from the tax authorities can be a potential source of stress. We can help you relieve this so you have more time **to focus on what truly matters to you**.

OUR BUSINESS IS YOUR PEACE OF MIND

Whether you are looking for advice to help achieve your **long-term business goals** or you are on a **short-term job adventure** in Belgium, have spotted an **investment opportunity** or simply here to spend your golden years of **retirement**; we can assist you with **anything tax related**.

As part of our **global mobility services**, we also regularly advise on related matters, such as **immigration, social security and employment law**. We assist your international workforce with their employment setup in Belgium and abroad.

We provide tailored services to private clients in **complex cross border situations** and offer legal support for **international organizations and businesses** in various sectors.

➤ TAX&LEGAL

➤ ACCOUNTING

AN INTERNATIONAL NETWORK

Through our **international partner network**, our clients are able to get a personal introduction to other **accounting, tax and business advisory professionals** based in many jurisdictions around the **world.**

We've got you covered... around the globe.

TESTIMONIALS

WHAT OUR CLIENTS SAY

I find this team as competent and efficient, with personal approach.

As a Belgian resident from the US, I find this company as a good partner to discuss tax and legal requirements for Belgium.

Taxpatria is a highly efficient team that provides the necessary support to me on a range of financial issues relevant to my company activities in Belgium and my personal tax.

They came up with a creative approach on a complex tax matter. I find them a competent and professional team.

This firm offers great service with great knowledge, which is particularly helpful to people who aren't familiar with the Belgian tax system.

I find them as a very efficient team among tax service companies, where cooperation and tax filing are surprisingly stress-free.

I would describe them as a team with excellent communication, knowledge and timeliness.

They are thorough. Prepared to look at all possibilities.

This team is specialized in tax questions for foreigners-residents in Belgium. They are very easy to communicate with, very practical and they concentrate on solutions that work.

I find Taxpatria as a team pleasure to deal with. They are fast in respond with very thorough and friendly service.

They are efficient and patient with the clients who are non-bureaucracy oriented.
